

Sioux City Eastside Schools Safe Routes to School Plan

Prepared by Siouxland Interstate Metropolitan Planning Council
October 2011

Acknowledgements

Safe Routes to School Taskforce Members

Dr. Angela Banks Whittier Elementary
Alison Benson Sioux City Community School District
Lori Bride Opportunities Unlimited
Jeff Brown Sioux City Transit System
Dr. Paul Gausman Sioux City Community School District
Kristan Geary Opportunities Unlimited
Lennard Hansen Nodland and Sunnyside Elementary
Sgt. Mike Manthorne Sioux City Police Department
Mary Motz Joy and Longfellow Elementary
Mandie Norby St. Luke’s Regional Medical Center
LaKeshia Rainey Joy PTO
Amy Scarmon Mercy Medical Center
Dakin Schultz Iowa Department of Transportation
Dawn Stansbury Washington Elementary
Angel Wallace City of Sioux City
Jill Wanderscheid City of Sioux City
Karin Ward Mercy Medical Center

Participating Schools

Joy Elementary .Longfellow Elementary
Nodland Elementary Sunnyside Elementary
Washington Elementary Whittier Elementary
East Middle School

Other Acknowledgements

Kurt Frank City of Sioux City
Tom Gill City of Sioux City
Kelly Irwin Albrechts Cycle Shop
Herb Kuehne Sioux City Police Department
Aaron Lincoln Veenstra & Kimm, Inc.
Scott Logan City of Sioux City
Jeremy McClure Sioux City Police Department
Kathy Ridnour Iowa Department of Transportation
Kevin West Woodbury County Sheriff’s Department
Mark Wyatt Iowa Bicycle Coalition

Siouxland Interstate Metropolitan Planning Council Staff

Michelle Bostinelos Transportation Planning Director
Kellee Van Bruggen Transportation Planner II
Eric Sanders Transportation Planner II/GIS Analyst
Eric Wilke Summer 2011 Transportation Planning Intern
Sharon Burton Administrative Assistant
Dwight Lang Co-Executive Director
Jane Gilbert Co-Executive Director

Table of Contents

Chapter One-Introduction

I.	What is Safe Routes to School?	1-1
II.	Purpose of the Sioux City Community School District Eastside Schools Safe Routes to School Plan	1-2
III.	National Trends.....	1-4
	A. Health	1-4
	B. Safety.....	1-5
	C. Environment.....	1-6
IV.	Vision for the Sergeant Bluff-Luton Safe Routes to School Plan.....	1-7

Chapter Two-Present Conditions

I.	Community Profile	2-1
	A. Census Data.....	2-1
	B. Bicycle, Pedestrian and Recreational Facilities	2-2
	C. Transit	2-3
	D. Traffic Counts.....	2-4
	E. Crash Data	2-6
	F. Sidewalk Ordinances	2-8
	G. Iowa Laws Pertaining to School Zones	2-9
II.	School Profile	2-9
	A. School District Boundary	2-9
	B. Enrollment Data	2-11
	C. Crossing Guards.....	2-12
	D. School Policies	2-13
	E. Transportation Policies.....	2-13
	F. Arrival/Dismissal Procedures	2-13
	G. Parent Survey	2-15
	H. School Site Observations.....	2-22
	I. Present Conditions Guidance	2-27

Chapter Three-Education

I.	Introduction	3-1
II.	Current Education Activities	3-1
	A. Fuel Up to Play 60.....	3-1
	B. Pamphlets Available at Parent-Teacher Conferences	3-1
	C. Bicycle and Pedestrian Safety Presentations	3-1
	D. “Stranger Danger” Presentations.....	3-1
	E. Bicycle and Pedestrian Safety Program.....	3-2

Chapter Three-Education (continued)

F.	Bicycle Rodeo	3-2
G.	Annual Kids Safety Fair	3-2
H.	Got a Brain? Get a Helmet!	3-2
I.	Albrecht’s Cycle Shop	3-2
III.	Obstacles and Deficiencies	3-3
A.	Educating the Community	3-2
B.	Classroom Time	3-3
C.	Funding	3-3
D.	Crossing Guard Education	3-3
IV.	Recommended Education Projects.....	3-3
A.	Bicycle and Pedestrian Education Event (Spring).....	3-3
B.	Public Service Announcements (PSAs) to Motorists	3-3
C.	Bicycle Rodeo	3-4
D.	District-wide Crossing Guard Education Program	3-4
E.	Development of Safe Routes Maps	3-4
F.	Safe Routes to School Link on Sioux City Community School District Webpage	3-4
G.	Safe Routes to School Assembly	3-5
H.	Driver’s Education	3-5

Chapter Four-Encouragement

I.	Introduction	4-1
II.	Current Encouragement Activities.....	4-1
A.	Got a Brain? Get a Helmet!	4-1
B.	Bicycle Rodeo	4-1
C.	Safe Routes to School Taskforce	4-2
III.	Obstacles and Deficiencies	4-2
A.	Parents’ Perception of School Encouragement.....	4-2
B.	Parents’ Encouragement	4-2
IV.	Recommended Encouragement Activities.....	4-3
A.	Walking School Bus	4-3
B.	Walk to School Day.....	4-4
C.	Boltage Program.....	4-4
D.	Safe Routes Maps.....	4-5
E.	Park and Walk.....	4-5
F.	The Golden Sneaker Award	4-6
G.	The Golden Shovel Award	4-6

Chapter Five-Enforcement

I.	Introduction	5-1
II.	Current Enforcement Activities	5-1
	A. Sioux City Police Department	5-1
	B. Woodbury County Sheriff’s Department	5-1
III.	Obstacles and Deficiencies	5-1
	A. Vehicles Following Traffic Signs.....	5-1
	B. Crossing Guard Education	5-1
	C. Speed of Traffic along Routes and Safety of Intersections and Crossings.....	5-2
	D. Arrival/Dismissal Procedures	5-2
	E. Three Feet Legislation for Passing Bicyclists	5-2
	F. Locations Identified in Parent Surveys	5-3
IV.	Recommended Enforcement Activities	5-3
	A. Obey the Signs – Progressive Ticketing Campaign	5-3
	B. Restructure the Crossing Guard Program	5-4
	C. Three Feet Legislation for Passing Bicyclists	5-6
	D. Speed Enforcement Campaigns	5-6
	E. Flashing Lights on Speed Signs near Schools.....	5-7
	F. No Idling Zones.....	5-7
	G. Neighborhood Enforcement Activities.....	5-7

Chapter Six-Engineering

I.	Introduction	6-1
II.	Current Enforcement Activities	6-1
	A. Connectivity Planning.....	6-1
	B. Crosswalk Evaluation.....	6-1
	C. Sign Evaluation	6-2
	D. New Traffic Signal at Morningside Avenue and Stone Avenue.....	6-2
	E. Applicable Projects in Sioux City Capital Improvement Plan (CIP)	6-3
	F. Bicycle Facilities.....	6-3
III.	Obstacles and Deficiencies	6-4
	A. Uncertainty of Safe Routes to School Program.....	6-4
	B. Limited Funds for Engineering Projects	6-4
	C. Sidewalk Obstacles	6-4
	D. Lack of Trail Options.....	6-4
	E. Lack of Connectivity in Metropolitan Transportation Network	6-7
	F. Crosswalks	6-13
IV.	Recommended Engineering Activities	6-13
	A. Sidewalk Construction Prioritization	6-13
	B. ADA Accessibility – Curb Cuts.....	6-27

Chapter Six-Engineering (continued)

C.	Crosswalks	6-27
D.	Raised Crosswalks.....	6-29
E.	Countdown Pedestrian Signals.....	6-29
F.	Radar Speed Display Signs/Permanent Speed Monitors	6-29
G.	Pedestrian Islands	6-30
H.	Walkable Community Design Standards	6-30
V.	Summary	6-30

Chapter Seven-Evaluation

I.	Introduction	7-1
II.	Current Evaluation Activities	7-1
	A. Parent Survey and Student Travel Tally	7-1
	B. Safe Routes to School Taskforce	7-1
III.	Recommended Evaluation Activities	7-2
	A. Continuation of the Parent Surveys and Student Travel Tallies.....	7-2
	B. Continuation of the Safe Routes to School Taskforce	7-2
	C. Program Evaluation/Data Reevaluation.....	7-2
	D. Walkability/Bikeability Checklists.....	7-3

Chapter Eight-Final Summary of Recommendations

I.	Final Summary of Recommendations.....	8-1
	A. Joy Elementary.....	8-1
	B. Longfellow Elementary.....	8-2
	C. Nodland Elementary.....	8-3
	D. Sunnyside Elementary.....	8-4
	E. Washington Elementary.....	8-5
	F. Whittier Elementary	8-6
	G. East Middle School.....	8-7
	H. Spalding Park Elementary.....	8-8

Appendices

Appendix A: Maps

Appendix B: Parent Survey and Student Travel Tally Reports

Appendix C: Resources

Appendix D: Acronyms

Appendix E: Definitions

List of Maps

Map 1.1: Study Area.....	1-3
Map 2.1: Traffic Counts (2007)	2-5
Map 2.2: Crashes near Sioux City Eastside Schools	2-7
Map 2.3: Sioux City Community School Eastside School Boundaries	2-10
Map 5.1: Crossing Guards	5-5
Map 6.1: Sidewalk Obstacles	6-5
Map 6.2: Trails	6-6
Map 6.3: Nodland Elementary Missing Sidewalks	6-8
Map 6.4: Sunnyside Elementary Missing Sidewalks	6-9
Map 6.5: Washington Elementary Missing Sidewalks	6-10
Map 6.6: Whittier Elementary Missing Sidewalks	6-11
Map 6.7: Spalding Park Elementary Missing Sidewalks	6-12
Map 6.8: Spalding Park Elementary Sidewalk Prioritization	6-18
Map 6.9: Washington Elementary Sidewalk Prioritization	6-20
Map 6.10: Sunnyside Elementary and East Middle School Sidewalk Prioritization.....	6-22
Map 6.11: Whittier Elementary Sidewalk Prioritization	6-24
Map 6.12: Nodland Elementary Sidewalk Prioritization.....	6-26
Map A.1: Sioux City Eastside Transit Routes.....	A-1
Map A.2: Crashes near Sioux City Eastside Schools.....	A-2
Map A.3: Joy Elementary Parent Surveys at Nearest Intersection	A-3
Map A.4: Longfellow Elementary Parent Surveys at Nearest Intersection	A-4
Map A.5: Nodland Elementary Parent Surveys at Nearest Intersection	A-5
Map A.6: Sunnyside Elementary Parent Surveys at Nearest Intersection.....	A-6
Map A.7: Washington Elementary Parent Surveys at Nearest Intersection.....	A-7
Map A.8: Whittier Elementary Parent Surveys at Nearest Intersection.....	A-8
Map A.9: East Middle Parent Surveys at Nearest Intersection.....	A-9
Map A.10: Spalding Park Distances from School	A-10

List of Figures

Figure 1.1: Obesity Prevalence.....	1-4
Figure 2.1: Population Pyramid by Age and Sex.....	2-2
Figure 2.2: Five Year Total Eastside School Enrollment Data.....	2-11
Figure 2.3: Typical Mode of Arrival to and Departure from School – All Study Area	2-16
Figure 2.4: Study Area of All Mode Totals Combined for both Arrival and Dismissal by School.....	2-17
Figure 2.5: Issues Reported to Affect Parent’s Decisions to Not Allow their Child(ren) to Walk or Bike to/from School – All Study Area.....	2-18

Figure 2.6: Morning and Afternoon Travel Mod Comparison – East Middle School.....	2-21
Figure 4.1: Parents’ Opinions about How Much their Child’s School Encourages or Discourages Walking.....	4-2
Figure 4.2: Issues Reported to Affect Parent’s Decisions to Not Allow their Child(ren) to Walk or Bike to/from School – All Study Area.....	4-3
Figure 6.1: Examples of Crosswalk Markings.....	6-1
Figure 6.2: Morningside Avenue and Stone Avenue Intersection Now.....	6-2
Figure 6.3: Morningside Avenue and Stone Avenue Intersection with Traffic Signal	6-2
